AGS MEMBER DNA TESTING QUESTIONNAIRE

The first AGS Program of 2017 includes a presentation on **GENETIC TESTING** (i.e., **DNA TESTING**). Saturday, January 14, Diane Richards, PG, discusses “Overview of DNA for Genealogy.” We’ll publish more information as the date gets closer.

To help us prepare for this program and plan future presentations, please take a moment to answer the following questions. When you are done, simply fold the questionnaire, place in the stamped envelope provided, and drop it in the mail by Wednesday, September 7th. We value your input and thank you for responding promptly.
